

WHY CHOOSE VIRTUAL CONNECTIVITY?

- **TAILORED SOLUTIONS**
for SMEs to corporates
- **TRUE UNCAPPED OPTIONS**
with Fibre & Microwave
- **TRANSPARENT ADVICE**
speed vs price
- **ALWAYS-ON,**
flexible, future-proof

SMART CONNECTIVITY FOR EVERY BUSINESS

The right connection keeps your business moving. At Virtual, we balance **speed, reliability, and cost** to recommend the connectivity solution that fits your business today - and scales with you tomorrow.

OUR CONNECTIVITY SOLUTIONS

SOLUTION	BEST FOR	KEY BENEFITS
Fibre	Large corporate & multi-site	Fastest, most reliable, true uncapped.
Microwave Wireless	Businesses needing quick, uncapped internet	High-speed wireless (requires line-of-sight).
LTE	Small businesses & quick setups	Rapid deployment, stable but not true uncapped.
