VIRTUAL TECHNOLOGY

WHY CHOOSE VIRTUAL?

Accessible anywhere
with internet

Secure, paperless
& eco-friendly

Reliable support from a
trusted local provider

Email remains the backbone of business communication — fast, affordable, and accessible anywhere. Virtual offers two flexible options to suit your needs:

1. POP MAIL

A SIMPLE, LOW-COST SOLUTION FOR BASIC EMAIL

- Budget friendly
- Emails stored only on your device (no backup if lost)
- No syncing of contacts or calendars

Price: R25 setup | R15 per user / month (excl. VAT)

2. MICROSOFT 365 EXCHANGED EMAIL

A PROFESSIONAL, CLOUD-BASED SOLUTION FOR MODERN TEAMS

- Real-time access to email, calendar, and contacts across all devices
- Shared calendars, distribution lists, and collaboration tools
- Emails securely stored in the cloud until deleted
- Slightly higher monthly cost

Price: R85 setup | R92.34 per user / month (excl. VAT)
